

Goals of the Elkton FFA Alumni

One goal of the Elkton FFA Alumni is to award at least one scholarship to a graduating senior.

To accomplish this, the Alumni are putting on a membership drive aimed at adding participants who are past FFA members, community members, parents, or anyone who wants to support our FFA youth.

The Elkton FFA Alumni are accepting financial gifts to help fund the scholarship assistance.

“The vision of the National FFA Alumni Association is a world where people and communities can grow and develop to their fullest potential.”

What is the FFA Alumni?

Agriculture teachers rely on FFA alumni members to help ease the outside commitments of teaching, bring more support to agricultural education programs and give teachers more freedom to do what they do best - teach kids!

FFA relies on alumni members for **raising scholarship money, serving as judges and chaperones, catering events, and assisting with conferences, National and State FFA Convention** and other **personal development programs**.

The high level of commitment the FFA Alumni Association offers has a *direct impact* on FFA members and the agricultural education program.

Anybody can be a member!

Membership in the National FFA Alumni Association is open to anyone interested in supporting and promoting agricultural education and the FFA on the local, state and national level.

If you are proud of FFA and want to help local FFA members acquire knowledge and experience from agricultural education and FFA activities – the FFA Alumni Association is for you!

You did not have to be an FFA member in high school to be a member of the FFA Alumni!

How do I join?

Your decision to become an FFA Alumni Member starts a chain reaction of benefits for you, for today's FFA members and for future generations of agricultural students.
